

Charge to the Presidential Search Committee

Starr King School for the Ministry

We appreciate the search committee's willingness to undertake the important work that will lead to the appointment of the next president for Starr King School for the Ministry. The following charge outlines the expectations of the Board of Trustees with respect to the search process and the authority granted to the search committee:

1. The search committee will develop a statement of desired qualifications for the president that will guide the search and selection process and be shared with candidates and nomination sources.
2. The search committee will adopt a timetable for the search that will permit the anticipated appointment of a new president for July 2014.
3. The search committee will conduct an active national search to attract highly qualified candidates.
4. The search committee will make periodic reports to the board chair about the progress of the search.
5. All search committee members will observe strict confidentiality in the conduct of the search. Any member of the search committee who breaches confidentiality may be removed from the committee without replacement.
6. The search committee will present to the Board of Trustees to recount its work and to make its recommendation(s) for appointment to the position on or before March 31, 2014.
