Please have a supervisory meeting and review the learning agreement you discussed and signed at the beginning of the internship. Discuss how the mutual requirements and learning goals have been met so far, the overall performance of the student, their gifts and growing edges. Is there any new issue that needs to be addressed? Please write a brief summary of the conversation and sign it. Feel free to attach additional pages to this form. If you prefer, supervisor and intern can also present separate evaluations.

It is the responsibility of the SKSM student to return this form to Rev. Schelin by the last day of classes before Reading Week (check dates for Fall and Spring semester).
