THRESHOLD STUDENT SELF ASSESSMENT

The questions for reflection are to be used as a guide for students during the first year and during the final term. They can be found in the document "Threshold Assessment Essay Prompts" on the Student Forms page of the SKSM website, <https://www.sksm.edu/resources/student-forms/>.

Students: save this form as a PDF (using the free Adobe software as described on the Student Forms page of the website and in the student handbook) with the file name: [YearTerm].[Threshold Assessment Form].[Your first name last name] (ex: 2021SP.Threshold Assessment Form.Stu Learner).

Email the completed form (except signatures) and written threshold assessment essay to Registrar@sksm.edu and copy your advisor. The Office of the Registrar will obtain the necessary electronic signatures, and then will file the documents.

Form to be submitted by the student by the end of the first year of studies. An updated version should also be submitted in conjunction with the Portfolio Conference packet, and again with the Petition to Graduate.
